Hi Shri

Thanks for the quick response. I was asking as I did not see the pricing option available on your website. Under your pricing option, there are only "Standard" and "Club Member (1 year)"

And do you mean Lifetime Support and Lifetime Access - in other words Lifetime Membership

We do have a \$199 one time lifetime payment for lifetime support in case you are interested in it.

But that needs to be paid using PayPal.

I see that you have the Single and All Themes (1 year) options.

May you consider in the future maybe doing a Lifetime membership like PremiumPress, Tesla Themes etc.?
